

Principals Update

From Behind the Principal's Desk

It's been a busy and exciting month for our school community, and I am delighted to share some of the highlights with you.

On Tuesday, 11th March, we had the pleasure of welcoming our new school counsellor, Miss Jean, into our school. She had the opportunity to meet with our staff and spend some time working with a couple of students, offering valuable support. We are thrilled to have her on board and look forward to the positive impact she will have on our students' well-being.

We would also like to commend Bailey, who completed his Year 3 NAPLAN assessments earlier this month. Bailey approached the testing period with a positive attitude, and we are incredibly proud of his efforts. We eagerly await the results in the coming months.

On Thursday, 20th March, our students embarked on an exciting adventure to Young for the Hilltops Art Trail, accompanied by Mrs. Sirol and Mrs. Cartman. The students had a wonderful time completing their artwork, which was displayed at the Southern Cross Cinema, showcasing their creations on the theme of farming. They also had the opportunity to visit the Town Hall to see the display of wood and big art, followed by a fun scavenger hunt in the park. It was a day full of creativity and exploration!

In the classroom, learning is progressing well. This term, we launched our new online learning platform and have also introduced the Little Learners Love Literacy program, which has already proven to be an exciting addition to our students' learning. On the 27th and 28th of March, Mrs. Martin and Mrs. Cartman will be attending professional learning sessions focused on best practices for delivering this program. While it's early days, we can already see the program becoming a valuable resource for our K-3 students.

Our P & C's AGM will be held this coming Thursday 27th March at 6.00pm. Everyone is welcome to attend.

Thank you for your ongoing support. We look forward to the continued growth and success of our students.

Warm regards
